

## Man GLG European Equity Alternative

### Fund objective

Man GLG European Equity Alternative aims to provide positive returns primarily through shares and related instruments in issuers in Europe and of issuers which derive a substantial part of their revenues from Europe. It may also invest in issuers and markets outside Europe, and in other asset classes. It adopts a diversified, 'long-short strategy' whereby it will use financial derivative instruments (ie instruments whose prices are dependent on one or more underlying assets,) to achieve its investment objectives or to take 'short' positions.
